What You Should Know Before You Finance Your Home

If you are planning to purchase a home in the District of Columbia or refinance your existing mortgage, this notice concerns you.

The District of Columbia law contains valuable information you should know. The District of Columbia Department of Insurance, Securities and Banking (DISB) has outlined below important information, created for your protection, which your mortgage broker or lender is required to provide before closing your loan. This will help you in recognizing some of the possible lending abuses and violations that may occur during the process. It will also help you in determining whether your mortgage broker or lender may be engaging in predatory lending practices in violation of District law.

To ensure that your interests are protected, DISB strongly recommends that you seek assistance or advice from an attorney, a D.C. housing counselor or a financial advisor, before you sign any loan documents.

A MORTGAGE GIVES A LENDER THE RIGHT TO FORECLOSE ON YOUR HOME!

IF YOU CANNOT OR DO NOT PAY YOUR MONTHLY MORTGAGE PAYMENTS ON TIME, YOUR HOME CAN BE SOLD, WITHOUT YOUR CONSENT, AND YOU MAY LOSE ALL THE MONEY YOU HAVE INVESTED IN YOUR HOME. YOU MAY EVEN BE EVICTED.

Following is a list of questions to assist you in determining whether you

should seek legal assistance before continuing with the lender or broker you had planned to use. If your answer is YES to the following questions this may be an indication that your lender or broker may be operating in violation of the law.

- 6. Unfair Steering** – Do you think you should have qualified for a better rate based upon your credit score?
- 7. Failure to Report Good Payment History** – Was your favorable payment history and information not reported to a nationally recognized credit reporting agency for a period of more than 12 months?
- 8. Home Improvement Contracts** - Will a home improvement contractor be paid from the proceeds of your loan without your approval or consent?
- 10. Increased Interest Rate On Default** - Do you have a loan that includes a provision that increases the loan's interest rate upon default?
- 11. Improper Fees** - Have you been charged fees for services that are not actually performed or charged loan discount points that do not reduce your interest rate?
- 12. Failure to Provide Notice** - Did your lender or broker fail to provide you with a copy of the “Red Flag Warning Disclosure Notice” at least three days before closing your loan?
